

ROADMAP TO A \$600 BILLION TECH EMPIRE (2026–2035)

By: Chijioke Mekelachi

This document presents a detailed, month-by-month strategic roadmap for building a \$600+ billion tech empire from 2026 to 2035. It focuses on three foundational projects — **PlanPal**, **AuthGo**, and **Cogni** — developed under a unified ecosystem. This roadmap assumes zero starting capital, full coding skills, and a strong discipline for reinvestment, automation, and community building.

Year 2026

Foundation & Launch Year – Build and launch all three apps (PlanPal, AuthGo, Cogni). Focus on MVPs, branding, and initial traction.
